LAKE BLUFF STYLE IS

More intimate
than intimidating

More caring
than comparing

More family
than formal

Business casual

Located on Chicago's North Shore, this jewel of a village offers all the prestige of North Shore life with a style that is uniquely, well, Lake Bluff. Our most irresistible attraction is the almost 6,000 community members who call Lake Bluff home – and warmly invite you to do the same. Here we believe that experiences, not extravagances, define the quality of Village life. And while real success is common, our most treasured assets are laughter, family fun and a relaxed community atmosphere.
