Focus Areas (2 of 5)

- **Designate appropriate structures as Village landmarks. Promote certainty in historic landmark designations.**
 - Identify existing Village landmarks.
 - Identify structures likely to be nominated as a landmark.
 - Complete landmark process in three years.

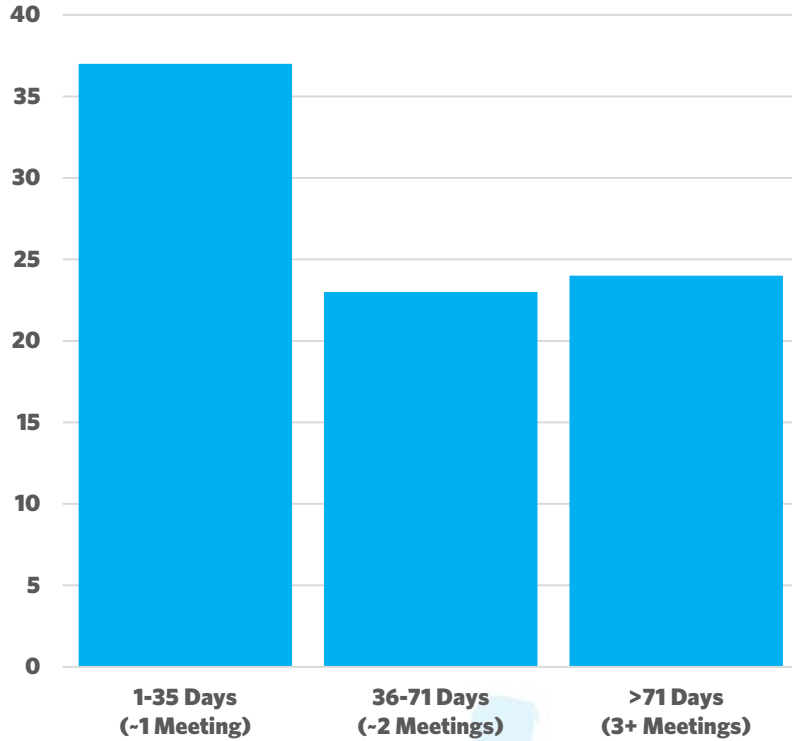

Focus Areas (3 of 5)

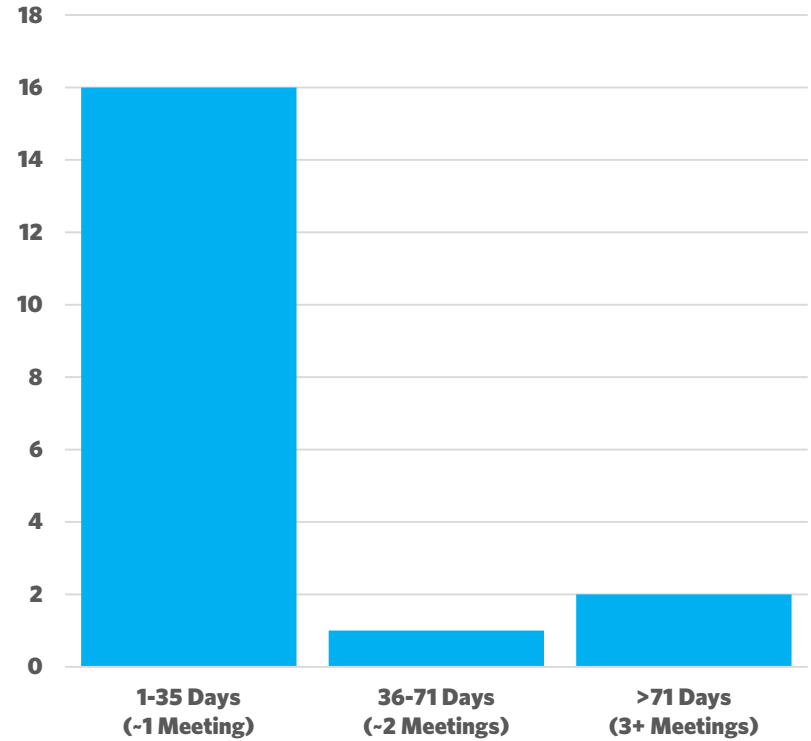

- **Allow meaningful time for community discussion and input on proposed significant modifications or demolition of historic community “anchors”:** those structures that visually represent Lake Bluff and its history.
 - **Demolitions:** Retain a 50 year threshold for HPC review of significant modifications or demolitions. (Matches National Register of Historic Places recommendations).
 - **Non-Landmarks:** Delays may apply only if the proposed work involves over 50% of the existing exterior walls; maximum delay of 180 days; minimize delays.
 - **Landmarks:** subject to enhanced scrutiny with more time provided for resident input and discussion of alternatives. Demolition requests may be delayed for up to 365 days; alterations may be delayed for up to 60 days.

**Duration of HPC Reviews
(2005 - Present)**

**Duration of HPC Reviews
(2017 - Present)**

Focus Areas (4+5 of 5)

- **Minimize procedural delays in redevelopment activities.**
 - Develop a “fast track” historical preservation review procedure for approval of modification or demolition requests for structures not landmarked or pre-identified as a potential landmark.
 - Simplify historic preservation review procedures.
 - Minimize procedural delays in redevelopment activities.
- **Facilitate neighborhood streetscape preservation by property owners through their nomination of historic districts.**
 - Only property owners may initiate historic district nominations.
